**STATEMENT OF FACTS IN SUPPORT OF FILING ON BEHALF
OF NONSIGNING INVENTOR PURSUANT TO 37 C.F.R. §1.47(b)**

Dear Sir:

This statement is made as to the exact facts that are relied upon to establish the diligent effort made to secure the execution of the declaration by the nonsigning sole inventor for the above-identified patent application after deposit thereof in the Patent and Trademark Office. Because the sole inventor, Mr. Lindbo, would not sign, the signing on behalf of the nonsigning inventor is by an entity showing a sufficient proprietary interest. This statement also recites facts as to why this action was necessary to preserve the rights of the parties and to prevent irreparable damage.

This statement is being made by the available person having first-hand knowledge of the facts recited herein.

The last known address of the inventor, Sverker Lindbo, is 40 Elm Street, Wellesley, Massachusetts 02481.

Our bona fide attempt at acquiring the inventor's signature consisted of providing Mr. Lindbo, the inventor, with a copy of the application and associated Oath/Declaration.

We received no response from Mr. Lindbo. Mr. Lindbo expressly refused to sign in writing as evidenced by the attached letter from his lawyer Mark Shub dated March 22, 2000. Further, we requested Timo Aittola, who has a personal and professional relationship with Mr. Lindbo, additionally request signature by Mr. Lindbo. At such time, Mr. Lindbo corresponded with me directly via e-mail. The attached e-mail dated May 5, 2000, from Mr. Lindbo to myself, demonstrates his refusal to sign. To summarize Mr. Lindbo's point of view, he feels Mirror Image Internet, Inc, has breached their employment arrangement, therefore Mirror Image Internet, Inc. is not the rightful owner under such circumstances. As a result, Mr. Lindbo feels compelled to refuse signature of any legal documents.

A check for \$130.00 to cover the fee under 37 C.F.R. § 1.17(i) is enclosed. The Commissioner is authorized to charge any additional fees associated with the submission of these formal papers to Deposit Account No. 11-0231. **A duplicate copy of this sheet is enclosed.**

Dear Mr Chaclas,

Some days ago I did receive two batches of patent documentation for my signature. I immediately sent an e-mail to mr Aittola to enquire whether he was reado to honor the agreements whereby the patents were orignally acquired from the previous owner, Mirror Image Internet AB, and a subsequent agreement regarding our participation in procuring the signature of one of the co-inventors.

It is my uinderstanding that Mr Aittola was not ready to honor those agreements, which in my view, puts the eintire ownership of the patents into question. I therefore sent the following message to Mr Aittola earlier today.

I trust you will do what it takes from your end to ensure that no intellectual property value is being irrevocably lost while this matter is being resolved. I am ready to cooperate with any acceptable escrow agent, should that be the preferred option.

Yours sincerely,

Sverker Lindbo

PS to Mr Santullo,

I hate to make the first contact between us in this fashion, but I do believe that the patent issue has been grossly mismanaged by Mr Aittola and Cuummins and Lockwood, and I fear that important deadlines may be missed. As the innovator, I would hate to see that happen. My fiduciary duty as a board member of Parfi Holding AB, which is a mjoy shareholder of Mirror Image Internet Inc, however precludes me from just signing these documents until the ownership and payment issues are fully resolved. Should you wish to talk to me about this or any other issue regarding Mirror Image and its ownership, please call me at any time, preferrably on my cellphone (listed below)

Dear Mr Aittola,

I understand from the correspondence you have sent me that you do not appear to be intending to honor the agreements whereby the patents were acquired from Mirror Image Internet AB. Additionally you do not appear to be intending to honor the subsequent agreements under which, among other things, I personally helped you procure the signature of my friend Peter Löthberg.

If the above is truly your position, Parfi Holding AB or Drax Holding AB whichever party is better positioned, will see no other option, than to challenge your ownership of the patents in the Swedish legal system. Until such matter is resolved, I will not sign any documents in favor of Mirror Image Intenet Inc, in relation to these patents.

Should there be instances where my signature is required to prevent irrevocable loss of any intellectual property value, I propose the you have the patents transferred to an escrow agent, acceptable to both parties. I will be willing to sign all relevant documents in favor of such an escrow agent.

Should you want to settle this issue quickly, I propose that you contact Mr Hane. He is currently on business in London but will be back in the office on Monday. He can also be reached today on the cellphone of Mr Anders Janson, +46 705 63 02 90

Sverker Lindbo
